EXPERIENCE

Azad Chai Wala Institute   **Present**
PYTHON PROGRAMMING COURSE
I am currently a dedicated **Student** at the **Azad Chai Wala Institute**, passionately pursuing expertise in **Full Stack Development**. My primary focus is on **Python development**, where I'm actively engaged in learning various facets, including **coding, debugging, and problem-solving**. Additionally, I'm committed to expanding my skill set to encompass **HTML, CSS, and JavaScript**. I'm enthusiastic about collaborating closely with experienced developers and mentors at the institute to gain the necessary knowledge and expertise in these technologies. My ultimate aim is to become a well-rounded Full Stack Developer and contribute effectively to the world of web development.

The School of Art and Design   **Completed**
GRAPHIC DESIGNING
I have successfully completed my studies at **The School of Art and Design**, where I passionately pursued expertise in **Graphic Design**. My primary focus was on **Adobe Photoshop**, and I gained valuable experience and honed my skills during my time there. I actively engaged in learning various facets of graphic design, including **Illustrations, Logo Designing, Typography, Banner design, Photo Manipulation, ETC**. I am enthusiastic about collaborating closely with experienced designers and mentors to further expand my knowledge and expertise in graphic design. My ultimate goal is to become a proficient Graphic Designer and make a meaningful impact in the world of visual communication.
